BE SECURE

Treat your passwords like your toothbrush! Never share and change them often!

Always sign out and log off your accounts on any device you are using.

CHECK your security settings on social media. DO NOT publish all your personal details!!

KNOW YOUR APPS

Be aware of any permission app requests as you install them.

Apps can ask to access your

Many apps, both free and paid for, offer optional extras at a cost. These are known as in-app purchases. For example, you may have to make an in-app purchase to continue to play a game after a certain level, or to speed up gameplay.

Apps typically consume data which may use up more of your mobile data allowance. If you're not careful about monitoring your data usage, you could end up going over your inclusive data allowance and incurring extra charges. Most mobile providers now offer online monitoring tools or apps to allow you to check your usage easily.

SHARING! SENDING! MESSAGING! SNAPCHATTING!

Don't want a photo or video shared???

100% guaranteed method of avoiding this embarrassing situation is DON'T TAKE THE PHOTO OR VIDEO!!

DO NOT

share anything by any method if you would not be happy with your grandparents viewing it!

BE RESPONSIBLE

Think carefully about the places you visit online and keep focused when on learning tasks.

Always make sure you know who you are sharing information with. **Not everyone is who they say they are!**

BE LEGAL

Only copy / upload / publish / distribute materials that are appropriate. Remember - anything you do can be traced back to you, including your browsing history and content that you may copy / upload / publish or distribute.

DO YOU KNOW

It is **ILLEGAL** to produce or distribute 'indecent' images or videos of any one under the age of **18!!** That includes anything featuring yourself!!! Any video/image can only be taken with the subject's permission! Do not take or share videos/images without the persons expressed permission.
